### Local nurse working at Children's National

A local nurse has begun working at Children's National in DC. She is part of the Center for the Developing Brain. This center specializes in analyzing premature infants, and how certain conditions affect their brain development. Such work will be invaluable in helping children not only survive prematurity, but thrive after suffering from it.

### Local Couture Store Opens to the Public

The store, owned by **Billy Bob Joe**, recently opened. It sell items from high-end companies such as Sayco, Guchi, Supreem, and more. According to Mr. Joe, "Everything here is 100% real, with zero knock-offs of any sort."
